

Dr Who Inspired Scarf

By Knot Sew Shorty (Anita Short)

This sheet can be printed off and used to tally off each row as you go to keep you on course.

What you need:

I used this yarn but you can use any DK yarn in these kinds of colours. The Burgundy can be purple, the Graphite a Steel Blue for example.

All Stylecraft Special DK 100g balls:

- 1 x Mocha
- 1 x Graphite
- 1 x Khaki
- 1 x Burgundy
- 1 x Copper
- 1 x Camel
- 1 x Mustard
- 4mm crochet hook.
- Darning/tapestry needle (for sewing in ends)
- Scissors

ABBREVIATIONS:

CH – chain

ST – Stitch

SC – Single Crochet

***Note**, the CH1 at the start of every row does not count as a stitch, the 1st SC should always be in the first ST.

~ Starting with Burgundy CH46, SC in 2nd CH from hook then SC in remaining CH's, CH1 and turn. (45 SC) This 1st row counts towards your 4 rows in the Burgundy, so tally off your 1st row.

~Every row is the same SC45, CH1 and turn (or you can turn then CH1 at the end of each row, it's completely up to you). I will now give the rows and colours that I did, I have given you a table, you can print this off and tally off the rows as you go.

Don't forget your tassels. I made mine from 10inch lengths, each tassel has one strand of each colour and I put 7 tassels on each end. Divide and attach your tassels over the 45 ST's. Or Join ends for an Infinity Scarf.

Good luck with your scarf, if you upload your photo to Instagram please would use the #knotsewshorty , I'd love to see your scarf. Thank you. X
